Hey Sarah,

Just following up on this. Do you have a photo of where the port is being covered?

What time? Do you have a picture of what is covering it? This way I can give it to LAHSA so they know who to talk too about moving it.

It's supposed to be every Friday morning.

Hello Sarah,

Thank you for drawing this to our attention. Yes I think we need to loop in LAHSA, Harbor Interfaith, LADOT and LAPD. When do you plan on going out there again? I can send an email with everyone once I have the details.

Hi Gaby and Caitlin,

I am hoping that you ladies can assist LASAN with an issue that's come up at 253rd and Lomita. We have arrived there for several Fridays in a row and found vehicles parked directly over the clean-out drain and/or in the area designated for the MHU. Signage is placed by LADOT so people will know it's a "temporary no parking" zone. Would it be possible to assist with outreach at the location? I was thinking perhaps Harbor Interfaith and/or LAHSA outreach workers could help with reminding people that the MHU is there for their use each Friday morning and we need the area clear. Additionally, if LAPD and/or LADOT are available to provide support that would likely help as well.

Please advise.

Thank you,

Sarah
